

Landscape near Walton

George Richmond

## Description

George Richmond, R.A. (1809-1896)  
Landscape near Walton

Signed with initials lower right and inscribed lower left: Walton /1854  
Watercolour, over traces of pencil  
13.5 by 21.3 cm., 5 ¼ by 8 ¼ in.

### Provenance:

With James Mackinnon, London, 2015;  
Matthew Rutenberg, New York.

This sketchbook sheet, dated 1854, is likely to date from September or October of that year when Richmond is known to have visited the seaside town of Walton-on-the-Naze in Essex. It would appear to depict part of the Naze, a marshy headland to the north of the town with the sea visible to the right.
